

To our fellow Northlands neighbors,

My family and I call this beautiful neighborhood our home, same as you. We live here because we truly believe in the community and love what it has to offer. With that said, as a family business we feel that there is something special about working in the same community that we reside. It requires an extra level of dedication to excellence because reputation matters... and the way we conduct our business reflects our personal values. As your neighbors, we promise to continually deliver the absolute highest quality service and never take for granted this wonderful place we all call home.

Very impressed with Nate and his team!!! they had me informed ahead of time what would be going on next. I had a few things with the house that needed to be taken of, they had contractors that went out and took care of the problems and at reasonable prices. Rachel would go out of her way and make sure they were taken care of and notified me of their schedules and updates. Nancy would let me know what i needed to do next, like they were just ahead of me so I never needed to ask a question about any thing. whole team was great I highly recommend them for their fine job!!!

Nate Brill and his team were extremely knowledgable throughout the entire process of selling our home. They stayed in constant communication and answered any and all questions we had (which were MANY). We have and will continue to recommend him to anyone we know in the market to buy or sell a home.
